NATIONAL LEADERS IN MEDICINE

BARNES-JEWISH HOSPITAL
WASHINGTON UNIVERSITY PHYSICIANS

WELCOME

Welcome to the Center for Advanced Medicine and the Center for Outpatient Health, where Washington University physicians treat patients — from commonplace injuries to complex diseases — with support from the team at Barnes-Jewish Hospital.

The **Center for Advanced Medicine** offers patients access to comprehensive outpatient medical care, including:

- Multispecialty consultation
- Diagnostic testing
- Medical treatment and same-day surgery
- Support services

The Center for Advanced Medicine also houses **Siteman Cancer Center**, the region's only National Cancer Institute-designated Comprehensive Cancer Center and an international leader in cancer treatment, research, prevention, education and community outreach. For more information, visit Siteman.wustl.edu or call **800-600-3606**.

The **Center for Outpatient Health** houses Washington University Dermatology Center, Eye Center and Women's Health Center, as well as on-site lab and radiology. Resident clinics are also offered at this location.

GETTING HERE AND PARKING
