

MyChart Video Visits - *Inviting Another Person To Join*

Begin video visit through MyChart. (If a family member or support person will participate in your visit, please join early to add them before your provider joins. You can begin the visit up to 30 min. before your appointment time.)

MyPatientChart.org

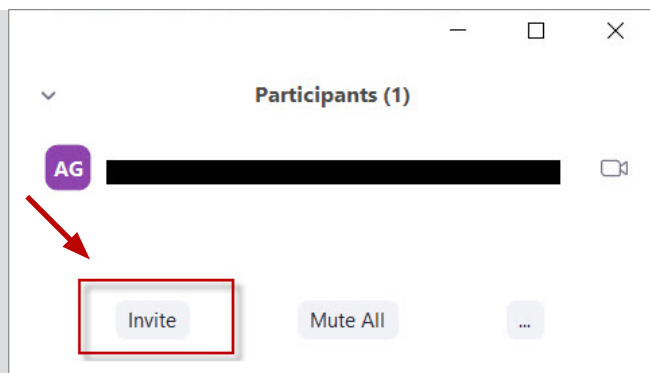

1

Once you have joined the visit, click **Participants**.

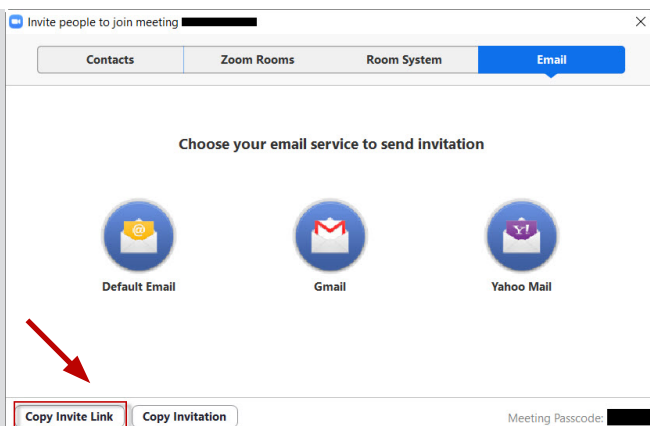

2

Click **Invite**.

3

Click **Copy Invite Link**.

4

The copied link can now be pasted into an email or text and sent to the person you are inviting to join.
